Mr. Chatterbox, how long will you live?  
Always to receive but never to give  
Always carry news all over the place  
Mr. Chatterbox, you are a big disgrace

You cheek and you tongue a go let you down  
And a when them let you down we a go batter you around  
Bif, baf, boof, those are the blows you're gonna get  
Mr. Talkative, I know you will regret
