

Try Me

Bob Marley & The Wailers

Try me, try me
Try me, try me
Try me, try me
Try me, try me

Try me, try me, try me
Try me, a wah wah wow
Try me, try me, try me

When the hurt is strong
And everything you do is wrong
You need someone to comfort you
Well, listen baby, I'll come first to you, so

Try me, try me, try me
Try me, a wah wah wow
Try me, try me, try me
Try me, a wah wah wow

If you need satisfaction
Listen baby, I've got the action
Where I am, that's where it's at
So, listen baby, it's tit for tat, so

Try me, try me, try me
Try me, a wah wah wow
Try me, try me, try me
Try me, a wah wah wow

Woo, woo-oooh, woo, woo, woo-oooh
Woo, woo-oooh, woo, woo, woo-oooh
Woo, woo-oooh, woo, woo, woo-oooh
Woo, woo-oooh, woo, woo, woo-oooh

One more thing I'd like to say right here
Try me, try me, try me
One more thing I'd like to say right here
Try me, try me, try me

Need good lovin'
I'm black, try me coming
Yes I'm black, try me and I'm coming
Try me, try me
