Fallen From Your Arms

Bob Moses

Down where the daylight ends
Lovers are born again
I will become your friend
And fool you with and ear to lend

Tell you a faceless lie
They are my best disguise
'Cause only an angel's eyes
Can fill your heart and bleed you dry

Been too late
For too long
And now you're sounding your alarm
Do I belong
Or have I fallen from your arms?
Oh, have I fallen from your arms?

Down where my demons lie
I will be killing time
Caught in a sinking tide
I'll see you on the other side

Why does it take so long,
To sing such a sorry song?
Cause now we're just hanging on, hanging on
How'd it get so wrong?

Been too late
For too long
And now you're sounding your alarm
Do I belong
Or have I fallen from your arms?
Oh, have I fallen from your arms?

Been too late
For too long
And now you're sounding your alarm
Do I belong
Or have I fallen from your arms?
Oh, have I fallen from your arms?
