

# Hanging On

Bob Moses

Everybody wants it their way  
Hear the sirens on the highway  
City burning on the replay  
I don't know where we go

Sick of everything I can't say  
Tired of losing on a good day  
Felt like nothing's coming my way  
For so long, but you know I'm still hanging on

Don't get me wrong  
Oh, I'm just hanging on  
Don't get me wrong  
Oh, I'm just hanging on

Couldn't tell you what the truth is  
Doesn't matter what your proof is  
If everybody's being ruthless  
I don't know where we go

Some will say it's what we needed  
Give me something to believe in  
'Cause I've been feeling so defeated  
For so long, but you know I'm still hanging on

Don't get me wrong  
Oh, I'm just hanging on  
Don't get me wrong  
Oh, I'm still hanging on

Don't get me wrong  
Oh, I'm just hanging on  
Don't get me wrong  
Oh, I'm just hanging on

All that I know is gonna change  
So will I fall or find my wings?  
Oh, take me back to when I tired of simple days  
I'm sick of feeling so afraid  
But when it hurts don't turn away  
And don't get me wrong  
Oh, I'm still hanging on

Ooh, don't get me wrong  
Ooh, don't get me wrong

Ooh, don't get me wrong (Don't get me wrong)  
Oh, I'm just hanging on  
Ooh, don't get me wrong (Don't get me wrong)  
Oh, I'm just hanging on  
Ooh, don't get me wrong (Don't get me wrong)  
Oh, I'm just hanging on  
Ooh, don't get me wrong (Don't get me wrong)  
Oh, I'm still hanging on

Ooh, don't get me wrong  
Oh

Ooh, don't get me wrong
