

Never Ending

Bob Moses

Fading, slowly time erases
Memories I've made in
These nights with you

Somehow wish the world would slow down
When I turn the lights out
I finally see the truth

Oooo
Oooo

Leaving isn't ever easy
Staring at the ceiling
Before the dawn

Breathe in, hold onto this feeling
I can't quite believe it
The time has come

Oooo
I'm leaving you

Don't want to give you up
There's never time enough
I want to live like this is never ending
Just want to feel your touch
No need to say too much
I wanna live like this is never ending
I'm running out of luck
Promises ain't enough
Wonder how long I can go on pretending
Don't wanna give you up
There's never time enough
I wanna live like this is never ending

You say there's no use contemplating the path not taken
It's dead and gone

Maybe we could have it our way
If not now then someday
So I keep holding on

Oooo
Holding you

Don't want to give you up
There's never time enough
I want to live like this is never ending
Just want to feel your touch
No need to say too much
I wanna live like this is never ending
I'm running out of luck
Promises ain't enough
Wonder how long I can go on pretending
Don't wanna give you up
There's never time enough
I wanna live like this is never ending
