Time And Time Again

Bob Moses

Time and time again
I turned to you, my friend
Don't want this time to end
I'll find you here again
To let it out, let it out, let it all out, oh
Been heavy now, heavy for so long
Time and time again
I'll find you here, my friend

Get lost in the crowd at midnight
We're caught in a dream of daylight
Hands up for another sunrise
You by my side
Oh, we said we were never leaving
Still chasing the same old feeling
Hold on, 'cause I still believe
I'll find you here time and time again

Time and time again
I turned to you, my friend
Don't want this time to end
I'll find you here again
To let it out, let it out, let it all out, oh
Been heavy now, heavy for so long
Time and time again
I'll find you here, my friend

Time and time again

Get lost in the crowd at midnight
We're caught in a dream of daylight
Hands up for another sunrise
You by my side
Oh, we said we were never leaving
Still chasing the same old feeling
Hold on, 'cause I still believe
I'll find you here time and time again

Time and time again
I'll find you here, my friend
