

# Always Tomorrow

Bob Mould

Trapped, silver blue  
Plans, utterance  
Crashed, turn away  
Fate, suffocate

Doesn't matter how hard I try  
Doesn't matter how much I look at you  
Doesn't matter how much I say  
It wouldn't register anyway

Walk away and I never say  
You walk away and I never say  
Walk away and I never say  
Always tomorrow, yeah  
Always tomorrow, yeah

Doesn't matter how hard I try  
Doesn't matter how much I look at you  
Doesn't matter how much I say  
It wouldn't register anyway

Walk away and I never say  
You walk away and I never say  
Walk away and I never say  
Always tomorrow, yeah  
Always tomorrow, yeah

Always tomorrow, yeah  
Always tomorrow, yeah

Walk away and I never say  
You walk away and I never say  
Walk away and I never say  
Always tomorrow, yeah
