

Flu Ride

Bob Rivers

Just hear those noses snifflin' sore throats ticklin'
too

Come on it's lousy weather to be sufferin' inside with
the flu

Outside the snow is fallin' your fever's at a hundred
and two

Let's take some Alka-Seltzer and a box of
antihistamines too

We'll bring some Kleenex with us and sing a chorus or
two

Let's let my red nose lead us in a sleigh ride in spite
of the flu

Hack it up hack it up fling it up let's go phlegm
chunks in the snow

We're coughing up a yellow and green rainbow

Cough it up cough it up cough it up oh man there's some
on my hand

My glands are puffed and swollen and every hour I pee
My throat's as rough as leather and raspy as it can be
Let's take some Kleenex with us and sing a carol or two
We'll make our noses redder on the sleigh ride to go
with the flu

My kid came home from preschool with a cough today
He'll infect the whole darn neighborhood in about a day
Well be calling in sick to work until the diarrhea

stops

At the pharmacy we'll get lots more pills to pop

Pop pop pop

I took every medication I can legally buy

For coughing sneezing sniffing and the watery eyes

I'll be gettin' real drunk on NyQuil I'll take Contac

'till I'm high

This wonderful buzz is great but I'm glad I don't have
to drive

Just hear those noses sniffin' sore throats ticklin'
too

Come on it's lousy weather to be sufferin' inside with
the flu

Outside the snow is fallin' your fever's at a hundred
and two

Come on it's lousy weather for a flu ride together with
you
