

Another Bad Idea

Bob Schneider

I knew it was a bad idea to meet you here, my dear
'Cause now that it's done and my heart you running
But things aren't exactly clear

Yeah, it's true, you know, it ain't no joke
When it comes to love you just might get your heart broke
You fall down and you can't stand up
That's the real deal, that's the word up

'Cause love, love, love
It's just another bad idea
I said, love, love, love, love
Some call it ever true

I said love, love, love
It's just another bad idea
Love's just another bad idea
Except when it comes to you

Well, all my friends, their nagging
Their telling me that I'm bragging
'Cause you are filled with silky skin
And I felt just like a dragon

My thought filled with fire
You fill me up with desire
I knew it was [Incomprehensible] and felt so strong
With my heart was a burning tire

Love, love, love
It's just another bad idea
I said, love, love, love, love
Some call it ever true

I said, love, love, love
It's just another bad idea
Love's just another bad idea
Except when it comes to you

Sit right down, let me talk to you
Falling in love is a dangerous thing to do
You give your heart away and you might not get it back
There's nothing you can do about it sometimes it's just like that

Now I can meet you down where the rainbow ends
Let's meet to get together, we'll be real good friends
You could show me yours and I could show you mine
We could have ourselves a good time

'Cause it's true, you know, it ain't no joke
When it comes to love you just might get your heart broke
You fall down and you can't stand up
That's the real deal, that's the word up

'Cause love, love, love
It's just another bad idea
I said, love, love, love, love

Some call it ever true

I said, love, love, love
It's just another bad idea
Love's just another bad idea
Except when it comes to you
