What's so funny is nobody's laughing at this change of heart yo u're having.

What's so funny is I'm filled up with thunder, but I can't seem to get out from under, all these stones you tied to my chest.

```
I can't change your mind.
I can't change your mind.
```

What's so funny is I'm scared and lonely, and I don't think that I'm the only one as I watch you drive away.

and what's so funny is the birds are singing, sun shining, and bells are ringing and I'm thinking, 'what happened here?'

```
and I can't change your mind.
```

There's a chappel in Minneapolis and it holds the bones of a de ad saint in it the stain glass glows from the ceiling there, an d reminds me of the feeling where I first looked into your eyes , and saw the most beautiful birds fly strait into the sun, the ir wings on fire, the deed was done.

```
Oh and I can't change your mind.
```

Whats so funny is this piece of skin, the one on my arm with yo ur name inked in. What was I thinking?

But what's so funny is the way things go down. Like when a star dies it doesn't make a single sound. It's just gone, you can't find it when you look into the sky.

```
And I can't change your mind.
And I can't change your mind.
I can't do it.
```

There's a werewolf out on my front lawn and he's looking pissed
