

Everyhour, Everyday

Bob Schneider

Somewhere, skies are blue
Somewhere, skies are grey
Somewhere, the sun is coming out
And chasing the night away
But you don't have to worry anymore
A ship of dreams is at the shore
Waiting to take us away
Everyhour everyday
Yesterday's tomorrow
Suddenly today
And everything you love
Is different in some way
But you don't have to worry anymore
A ship of dreams is at the shore
Waiting to take us away
Everyhour everyday
Somebody come up short
Somebody got to pay
With all the trouble in the world
There got to be someone to blame
But don't worry anymore
A ship of dreams is at the shore
Waiting to take us away
Everyhour everyday
It's waiting to take us away
Everyhour everyday
Everyday
Everyday
