

Making It Up

Bob Schneider

I will go through this life
And never know who I am or why I'm here
Or what I'm doing, or what I'm doing
But that's okay, its what we do
Everyday, everywhere, all around the world
Uh-huh

I know my name
Take the word of everything I've ever learned
Like my father and my father's father
It's the way we've always done it
And the way we always will
Uh-huh

Making it up, making it all up
I mean, what else can we do?
Making it up, making it all up
That's the only way to get through
Cause life is hard, but life's alright
Cause I'm here with you tonight
Mnhmm, yeah yeah

And Jesus gonna welcome me into heaven
When I get there
The day that I die
I can say for sure that I'll be able
As well as I am able to look him in the eye
And say "hey, well I did what I could with what I was given"

But surely it isn't much, it's just made to do this living and I lived it up
And I've been forgiving myself ever since
Making it up, making it all up
I mean, what else can we do?
Just making it up, making it all up
Now I know this shit ain't cool
Cause life is hard, but life's alright
Cause I'm here with you tonight
And that's alright, that's alright

And there's more to life, more than what you see
But if it's true that life's a dream, I wanna keep dreaming
Dreaming here with you
I'm alright, I'm alright
And maybe so are you
Yeah I'm alright, I'm alright
And maybe so are you
Maybe so are you
Maybe so are you
Maybe so are you
Maybe so are you
Maybe so are you
Maybe so are you
Maybe so are you
Maybe
Maybe
