

## Piggyback

Bob Schneider

I read about a guy  
when he was 23 years old  
stood there three feet tall  
man that's pretty small

but then he grew  
to over 7 foot 4  
where he found he  
just couldn't walk no more

and mama had to go away  
but daddy says i'll see her again  
one day soon  
when we go to heaven

and daddy had a hook  
where his hand used to be  
he said that hand weren't no good  
for me anyway

all i want's a piggyback ride  
to get to the other side  
of this big beautiful world,  
sleep on a big beautiful bed  
with beautiful coulds  
inside my head

for 30 hours  
and 15 minutes  
jimmy kissed his girl  
in front of the whole wide world

on national tv  
that's a long time  
not to drink or eat  
or take a pee

all i wants a piggyback ride  
to get to the other side  
of this beautiful workd  
sleep in a big beautiful bed  
with beautiful clouds  
inside my head
