

# Against the Wind

Bob Seger

It seems like yesterday  
But it was long ago  
Janey was lovely,  
She was the queen of my nights  
There in the darkness  
With the radio playlng low  
And the secrets that we shared  
The mountains that we moved  
Caught like a wildfire out of control  
Till there was nothing left to burn  
And nothing left to prove

And I remember what she said to me  
How she swore that it never would end  
I remember how she held me oh so tight  
Wish I didnt know now what I didnt know then

Against the wind  
We were runnin against the wind  
We were young and strong, we were runnin  
Against the wind

And the years rolled slowly past  
And I found myself alone  
Surrounded bv stranners  
I thought were my friends  
I found myself further  
And further from my home  
And I guess I lost my way  
There were oh so many roads  
I was living to run and running to live  
Never worried about paying  
Or even how much I owed  
Moving eight miles a minute for months at a time  
Breaking all of the rules that would bend

I began to find myself searchin  
Searching for shelter again and again  
Against the wind  
A little something against the wind  
I found myself seeking shelter against the wind

Well those drifters days are past me now  
Ive got so much more to think about  
Deadlines and commitments  
What to leave in, what to leave out

Against the wind  
Im still runnin against the wind  
Well Im older now and still  
Against the wind
