

# Chances Are

Bob Seger

Chances are you'll find me  
Somewhere on the road tonight  
Seems I always end up drivin' by  
Ever since I've known you  
It just seems you're on my way  
All the rules of logic don't apply  
I long to see you in the night  
Be with you till morning light

I remember clearly  
How you looked the night we met  
I recall your laughter and your smile  
I remember how you made me  
Feel so at ease  
I remember your grace, your style

And now your all I long to see  
You've come to mean so much to me  
Chances are I'll see you  
Somewhere in my dreams tonight  
You'll be smilin' like the night we met  
Chances are I'll hold you  
And I'll offer all I have  
You're the only one I can't forget  
Baby your the best I've ever met  
And I'll be dreamin' of the future  
And hopin' you'll be by my side  
And in the morning I'll be longing  
For the night  
For the night

Chances are I'll see you  
Somewhere in my dreams tonight  
You'll be smilin' like the night we met  
Chances are I'll hold you  
And I'll offer all I have  
You're the only one I can't forget  
Baby your the best I've ever met
