

## Downtown Train

Bob Seger

Outside another yellow moon  
Has punched a hole in the nighttime, yeah  
I climb from the window and down to the street  
And I'm shining like a new dime  
Downtown trains are full  
Of all those Brooklyn girls  
They try so hard to break out of their little worlds

Well, you wave your hand and they scatter like crows  
They have nothing that'll ever capture your heart  
They're just thorns without the rose  
Be careful of them in the dark  
Oh, if I was the one you chose to be your only one (only one)  
Can't you hear me now  
Can't you hear me now

Will I see you tonight  
On a downtown train  
Where every night is just the same  
Don't leave me lonely now

I know your window and I know it's late  
I know your stairs and your doorway  
I walk past your street and by your gate  
I stand by the light of the four way  
You watch them all fall down  
Baby, they all have heart attacks  
They stay at the carnival  
But they'll never win you back

Will I see you tonight  
On a downtown train  
Well, every night  
Every night is just the same  
Oh baby, will I see you tonight  
On a downtown train  
All if my dreams just fall like rain  
Oh baby, on a downtown train

Will I see you tonight  
On a downtown train  
Where every night is just the same  
Oh baby  
Will I see you tonight  
On a downtown train  
All if my dreams just fall like rain  
Baby, on a downtown train  
Baby, on a downtown train  
On a downtown train
