

For You

Bob Sinclar

For you, yeah yeah
I wasn't sure I was really looking
For you, yeah yeah
I know I said that I would do anything
For you, yeah yeah
In the end I could not pay the price
For you, yeah yeah
Here's little advice

How could I be wrong?
You overestimated me
Why should I be strong?
I can do nothing more for you

For you, yeah yeah
I feel so tired I ain't gonna fight
For you, yeah yeah
It was worth a try but we know I ain't right
There're things I could do but I don't think I could die
For you, yeah yeah
Don't expect me to cry

I'm not your kind
I'm not so kind
