

# I Believe

Bob Sinclar

This world has brought you down to your knees  
You're not alone, everybody needs  
To believe in something  
To believe in one thing  
I believe in you

Living your life like it's on the brink  
Drifting away on a broken ship  
But I believe in something  
I believe in one thing  
I believe in you

Oh oh oh  
Oooh oh oh oh oh, oh oh  
I believe in something  
I believe in one thing  
I believe in you

Oh oh oh  
Oooh oh oh oh oh, oh oh  
I believe in something  
I believe in one thing  
I believe in you

I believe in you  
I believe in you  
I believe in you  
I believe in you

You've been so numb for the longest time  
Losing your faith, yeah, it's left you blind  
But I believe in something  
I believe in one thing  
I believe in you

Stop hesitating, the road is bright  
Dream it, do it, turn around, you have the right  
To believe in something  
To believe in one thing  
I believe in you

Oh oh oh  
Oooh oh oh oh oh, oh oh  
I believe in something  
I believe in one thing  
I believe in you

Oh oh oh  
Oooh oh oh oh oh, oh oh  
I believe in something  
I believe in one thing  
I believe in you  
(I believe, I believe)  
I believe in you  
I believe in you  
(I believe, I believe)  
I believe in you

I believe in you  
(I believe, I believe)  
I believe in you
