

## Reels

Bob Sinclar

My name is Shantay  
How can that be?

I see what you're drinkin'  
I know what you're thinkin'  
Reels are turnin' in your head  
And, yeah, I see what you're thinkin'  
What you tryna find?  
What's on your mind?  
The answer is me and me oh me  
And I'm just being kind

They wanna  
What?  
What?

How can that be?

I see what you're drinkin'  
I know what you're thinkin'  
Reels are turnin' in your head  
And, yeah, I see what you're thinkin'  
What you tryna find?  
What's on your mind?  
The answer is me and me oh me  
And I'm just being kind

They wanna  
What, what?

They wanna dance with me  
They wanna be free  
They wanna  
They wanna dance with me  
Be free  
They wanna dance with me  
Be free  
They wanna dance with me  
They wanna be free  
They wanna dance with me

I see what you're  
I see ya  
Yeah, I see ya  
I see ya

Dirty mind  
You are gonna pay if you're partying today

I see what you're drinkin'  
I know what you're thinkin'  
I see what you're drinkin'  
I know what you're thinkin'  
Reels are turnin' in your head  
And, yeah, I see what you're thinkin'  
What you tryna find?  
What's on your mind?

The answer is me and me oh me  
And I'm just being kind

They wanna  
They wanna dance with me  
They wanna be free  
They wanna  
They wanna

I see ya
