

# He's A Man

Bob Vylan

Loves a chicken korma (He does), but hates the hands that cook it  
Pinch a cheeky bottom, says there's never harm in looking (C'mon love)  
Take him anywhere and you'll regret you ever took him  
Away to Spain again, the lads just made a cheeky booking, wahey  
Shout at locals (Oi you mug), drunken scuffling  
He's always right and nobody can tell him nothing (No)  
Dancing round the room, look at how his feet are shuffling (Look at him go)  
As he makes obnoxious phone calls, trying to get them drugs in

What do you reckon, one or two? (How you doing, son?)  
Get a few, what's the plan?  
Just another day in the life of a big dumb man

Yeah he's a man  
Yeah he's a proper manly man  
You little boys just really wouldn't understand  
Yeah he's a man  
Yeah he's a proper manly man  
You little boys just really wouldn't understand

Sunday roast, choking down some gammon (Yum)  
All these rules, things he just can't say, he just can't understand them (Uh uh)  
Misses the days when he could count on Clarkson, May and Hammond  
Now it's only mediocre gear that he can get his hands on (Wahey)  
Past the Queen on the way up his nose  
Dearest old Elizabeth, may God save her soul (Oh yes)  
Said the fabric of this country consists of silk and gold (It does)  
Who cares if it was stolen, you should just ignore the holes

Now what do you reckon, one or two? (Pay attention mate)  
Get a few, what's the plan?  
Just another day in the life of a big dumb man

Yeah he's a man  
Yeah he's a proper manly man  
You little boys just really wouldn't understand  
Yeah he's a man  
Yeah he's a proper manly man  
You little boys just really wouldn't understand  
Yeah he's a man (Yeah yeah)  
Yeah he's a proper manly man  
You know, a proper man (A real one)  
A proper manly man (A real one)  
Yeah yeah, he's a man (Yeah)  
Yeah he's a proper manly man  
You know, a proper man  
A proper manly man

Yeah he's a man (Yeah)  
Till you say something he don't like and all his toys are out the pram  
But that's a man, init?  
Yeah, that's a man, I think  
He's a proper manly man  
A proper man  
A proper manly man  
The G-Spot don't exist mate, that's just feminist propaganda

Yeah he's a man  
Yeah he's a man  
Yeah he's a proper manly man  
You little boys just really wouldn't understand  
Yeah he's a man  
Yeah he's a proper manly man  
You little boys just really wouldn't understand
