City man dem going cunch
But you look like curried mutton
With a side of peanut punch
Eat your peanut, Captain Crunch
When you see me on a hun'
I'm a pon, pon, pon
Leave your body in a slum

See you riding on an ox
You ain't riding on the cops
When they terrorise the block
Shoot some kid for linking dosh
You ain't really with the shiz
I bought hard rock from my pops
Choose with chocolate the cafe
Then me and bone hit the shops
I'm still hungry, I'm still hungry
I'm just looking for a good meal
You paid what for the chain?
That's a boot deal
Belly's out here rumbling
You flashing off that good steel
Wolves on your back
Let you know how the hood feel

Yeah, you looking like some
Lunch lunch lunch lunch lunch
Yeah, you looking like some
Lunch lunch lunch lunch lunch
Yeah, you looking like some
Lunch lunch lunch lunch lunch

Lunch lunch lunch lunch lunch

But you look like curried mutton
With a side of peanut punch
Eat your peanut, Captain Crunch
When you see me on a hun'
