

## Don't Rush The Good Things

Bob Welch

Bought me a bottle of wine  
We're gonna share it tonight  
It's my favorite vintage  
Gonna make us feel all right

Don't rush the food things  
Don't rush the good things in life  
It's a slow job falling in love  
Don't rush the good things tonight

You & me baby, no need to hurry tonight  
We've got all the time in the world  
To get it right, get it right, get it right  
I'm gonna sip it slowly  
Not gonna knock it back  
I'm no historian, but I've learned on thing from the past
