

Hideaway

Bob Welch

You don't say you love me
Like you used to at night
And we've become strangers
When we used to be tight
You make it so hard
I got a real short fuse
My patience is slippin'
I won't take this abuse

Where do we think we're goin'
Well I know where I'm goin' with you
I'm gonna get out on the highway
'Cause if I got to walk, I'm goin' to

Hideaway, hide hideaway
Ooh, ooh
Hideaway, hide hideaway
Just me and just you

Well I don't need no tension
Don't read me the rules
Get out on the highway
Yeah, we gonna get out
I'm tellin' you
'Cause if I got to walk, I'm goin' to

Hideaway, hide hideaway
Ooh, ooh
Hideaway, hide hideaway
Just me and just you

We're gonna get out, I'm tellin' you
'Cause if I got to walk, I'm goin' to
