

## Hot Love, Cold World

Bob Welch

Now there is a way to say I love you  
And it's said ev'ry day by some kind of fool  
But where is the way to tell her goodbye  
We both can't be wrong  
I must be right

Hot love in a cold world  
Gonna make you cry  
Hot love in a cold world oh yeah

Our connection was strong I thought it would last  
Dreams of the future not a care for the past  
But look at us now  
Not knowin' what to do  
You're lookin' so sad  
I feel so cruel

Hot love in a cold world oh yeah  
Gonna make you cry  
Hot love in a cold world  
Gonna make you cry  
But in this cold world with a hot love  
You'll get by  
Hot love in a cold world  
Oh yeah, oh yeah, oh yeah
