

# That's What We Said

Bob Welch

Remember in the summer, giulded lives  
You better help 'em wild cries  
We were like wild angels  
We did what we pleased  
We had the horn of plenty  
On its knees  
We rock and roll in body and soul  
Still soundin' good to me  
(Be-Bop-A-Lula)  
That's what we said  
(Be-Bop-A-Lula)  
It goes to your head  
(Be-Bop-A-Lula)  
Squeeze you so hard  
(Be-Bop-A-Lula)  
Rock in the dark  
Oh sandy little kisses taste so good  
Back before you even knew you could  
Midnight on the causeway  
Flickin' sparks  
Get back to the place  
Called passion park  
Ooh I love you so but daddy said no  
Back where it used to be  
(Be-Bop-A-Lula)  
That's what we said  
(Be-Bop-A-Lula)  
We wrote it in red  
(Be-Bop-A-Lula)  
Let yourself go  
(Be-Bop-A-Lula)  
Dancin' too slow  
(Be-Bop-A-Lula)  
Got to be mine  
(Be-Bop-A-Lula)  
I'm gonna go twice  
(Be-Bop-A-Lula)  
That's what we sung  
(Be-Bop-A-Lula)  
You were so young  
Oh what a thrill, I miss her still  
Still soundin' good to me  
Oh what a thrill, I miss her still  
Still soundin' good to me  
(Be-Bop-A-Lula)  
That's what we said  
(Be-Bop-A-Lula)  
It goes to your head  
(Be-Bop-A-Lula)  
Let yourself go  
(Be-Bop-A-Lula)  
Dancin' too slow  
(Be-Bop-A-Lula)  
Move to the right  
(Be-Bop-A-Lula)  
And holdin' her tight  
(Be-Bop-A-Lula)

Squeeze her so hard...
