

## A Spider in the Dark

Bobaflex

When I was young I was just like you  
I lost my innocence but I found the truth  
It wasn't love, it was something new  
I'm changing, rearranging

You'll understand when you see what I've done (what I've done)  
It's beautiful what I have become (what I've become)  
I am a storm on the setting sun  
I'm changing, rearranging

If you look into my eyes, you'll see I have no heart  
I devour like a spider in the dark  
Can you hear the angels cry as I rip this world apart  
I devour like a spider in the dark  
Like a spider in the dark

Oblivion will be coming soon  
Nowhere to run, nothing you can do  
Say your prayers but it won't save you  
I'm changing, rearranging  
I'm changing, rearranging

If you look into my eyes, you'll see I have no heart  
I devour like a spider in the dark  
Can you hear the angels cry as I rip this world apart  
I devour like a spider in the dark  
Like a spider in the dark  
Like a spider in the dark

I'm changing, rearranging

If you look into my eyes, you'll see I have no heart  
I devour like a spider in the dark  
Can you hear the angels cry as I rip this world apart  
I devour like a spider in the dark

Like a spider in the dark  
Like a spider in the dark  
Like a spider in the dark
