

Hell In My Heart

Bobaflex

I'm getting close
I ain't got a lot of time
They're gonna say a lot of things about me...
Some of it's true... and
Some of it ain't
But I never did hurt anyone who didn't have it comin' to him
I feel like I - I was born in this world with heaven in my
Soul
And now I'm leaving this place with hell in my heart
So when they bury me, make sure they bury me with my guns
On...
Gonna' need em'
Cause when I get to the other side...

There's some things that need straightening out
