

# Lights Out

**Bobaflex**

I can't do anything right  
Everyone I love turns their backs  
I'm a slow motion car crash  
Everybody tryna tell me how to live  
But I ain't got a shit to give  
Shut up I'm a  
I'm a I'm a I'm a

Big drinker, here's the middle finger  
Rules on the bottom because I'm the lead singer  
(Shut your mouth and fill my cup  
I'll tell you when I've had enough)

Lights out! Lose my mind  
Drink myself to the other side!  
Could be in my head, in my head I don't know  
Could be in my head, oh I don't think so  
Lie down! Goin' blind  
One more shot, one more life!  
Could be in my head, in my head  
No! I don't think so

I got a bottle, got another one hit  
It's a Tuesday, Saturday, it's a doesn't matter day  
I stagger through it all, I stumble through the wall  
I see a better man than me right before I fall

Big drinker, here's the middle finger  
Rules on the bottom because I'm the lead singer  
(Shut your mouth and fill my cup  
I'll tell you when I've had enough)

Lights out! Lose my mind  
Drink myself to the other side!  
Could be in my head, in my head I don't know  
Could be in my head, oh I don't think so  
Lie down! Goin' blind  
One more shot, one more life!  
Could be in my head, in my head  
No! I don't think so

Black my lights out

I don't think so  
I don't think so

(Big drinker, here's the middle finger  
Rules on the bottom because I'm the lead singer)  
Shut your mouth and fill my cup  
I'll tell you when I've had enough

Lights out! Lose my mind  
Drink myself to the other side  
Lights out! Lose my mind  
Could be in my head, oh I don't think so!  
Lie down! Goin' blind  
One more shot, one more life!

Could be in my head, in my head I don't know  
Could be in my head, in my head I don't know  
I don't think so  
Could be in my head, in my head I don't know  
I don't think so
