

Rogue

Bobaflex

I don't wanna fall in love tonight
Cause I just need your touch and then we'll say goodbye

After the show we could be together
You say I love you
I say I know

1-2-3-4 come on you wanna love me
I say you're crazy
You get to push and shoving
And say ya hate me baby

I don't wanna fall in love tonight
Cause I just need your touch and then will say goodbye
You don't wanna fall for a guy like me cause I'm a rogue I'm ju
st your fantasy

I've traveled so far
You say it's been forever
You ask me to stay
But I got to go

1-2-3-4 come on you wanna love me
I say you're crazy
You get to push and shoving
And say ya hate me baby

I don't wanna fall in love tonight
Cause I just need your touch and then will say goodbye
You don't wanna fall for a guy like me cause I'm a rogue I'm ju
st your fantasy

I don't wanna fall in love tonight
Cause I just need your touch and then will say goodbye
