

## Greyhound Goin' Somewhere

Bobbie Gentry

There ain't much time to say goodbye  
But let me try while we have a last cup of coffee  
The love you need I couldn't give  
The life I lead you wouldn't want to live  
Believe me So ride me to the station and I'll be on my way  
There's a greyhound goin' somewhere  
And I just want to say  
I'm leavin' There's a greyhound goin' somewhere  
Think I might just go there too Well I could stay another day  
But I'm afraid you'll want me to say I love you  
It not that I won't  
It's just that I don't want  
To leave another heart behind me breakin' So ride me to the sta  
tion and I'll be on my way  
There's a greyhound going somewhere  
And I just want to say  
I'm leavin' There's a gray hound going somewhere  
Think I might just go there too  
I'm leavin' Detroit, Cincinnati, Seattle  
Chattanooga, Kansas City, Dallas  
San Francisco, maybe LA, Nashville  
Delight Arkansas
