

I Didn't Know

Bobbie Gentry

One, two
One two, three, four

Please forgive me, I didn't know
What have I done to hurt you so?
I don't know what to say
I never knew you cared
For me this way
What can I say?

I never knew that you cared for me
In the way that you say you do
I didn't know you didn't know
I didn't care for you in the same way, too
What can I do to let you know my heart aches so?
Please forgive me, I didn't know

Please forgive me, I didn't know
What have I done to hurt you so?
I thought we were friends
Sometimes it's so hard to tell
Where friendship ends
And love begins

And all that time that you loved me
I thought you were just being kind to me
But now lookin' back I can tell
That I was just too blind to see that you loved me
I didn' mean to hurt you so
Please forgive me, I didn't know
