

## (It's Only Your) Imagination

**Bobbie Gentry**

Baby, it's only your imagination  
That keeps you away from me  
Baby, it's only your imagination  
That won't let you be what you want to be  
Well, it seems that you're always thinking  
You've got a busy, busy mind  
But that wasn't me you saw last night  
Your imagination's working overtime  
Baby, it's only your imagination  
That keeps you away from me  
Baby, it's only your imagination  
That won't let you be what you want to be  
I told you that I love you  
And you're the only one for me  
So don't let your imagination  
Run away from reality  
Baby, it's only your imagination  
That keeps you away from me  
Baby, it's only your imagination  
That won't let you be what you want to be  
Baby, it's only your imagination  
That keeps you away from me  
Baby, it's only your imagination  
That won't let you be what you want to be  
Baby, it's only your imagination  
That keeps you away from me  
Baby, it's only your imagination  
That won't let you be what you want to be
