

Save Your Love For Me

Bobbie Gentry

Wish I knew
Why I'm so in love with you
No one else in this world will do
So darlin', save your love for me

Run away
If I were wise I'd run away
But like a fool in love I stay
And pray you'll save your love for me

I can feel it
Even when you're not near
Can't conceal it
I really love you, my dear

And though I know
No good can come from lovin' you
I can't do a thing
I'm still in love with you

So darlin', help me please
Have mercy on a fool like me
Love is blind but still I see
So darlin', save your love for me

You may have fun in a crowd
But for cryin' out loud
Darlin', please save your love for me

Mm, hmm, mm
Mm, hmm, hmm
