

## Something In The Way He Moves

**Bobbie Gentry**

There's something in the way he moves  
Looks my way and calls my name  
It seems to leave this troubled world behind  
If I'm feeling down and blue  
Troubled by some foolish game  
He always seems to make me change my mind  
And I feel fine anytime he's around me now  
He's around me now almost all the time  
And if I'm well you can tell he's been with me now  
He's been with me now quite a long, long time  
And I feel fine  
Every now and then the things I lean on lose their meanin'  
And I find myself careenin'  
Into places where I should not let me go, no  
But he's got the power to go where no one else can find me  
And to silently remind me  
Of the happiness and the good times that I know  
Just got to know him  
It isn't what he's got to say  
Or how he thinks and where he's been  
To me, the words are nice the way they sound  
I like to hear them best that way  
It doesn't matter what they mean  
He says them mostly just to calm me down  
And I feel fine anytime he's around me now  
He's around me now almost all the time  
And if I'm well you can tell he's been with me now  
He's been with me now quite a long, long time  
And I feel fine
