

Terrible Tangled Web

Bobbie Gentry

You've got a way of making me blue
You've got a way of hurtin' me too
Oh, what a terrible tangled web we weave
Don't we?
Well, you've got a gentlemen on the side
And you've got a friend that you're trying to hide
Oh, what a terrible tangled web we weave
Don't we?
We both got a way of going our way
A knowing course gets greater each day
And I know you know you know we both deceive
Don't we?
We've got a way of living a lie
And life's got a way of making us cry
Oh, what a terrible tangled web we weave
Don't we?
Why do we have to settle for it?
How can we take too much more it?
Figures we both lack the nerve to leave
Don't we?
We've got a way of living a lie
And life's got a way of making us cry
Oh, what a terrible tangled web we weave
Don't we?
Oh, what a terrible tangled web we weave
Don't we
