

## A Fallen Star

**Bobby Bare**

A fallen star is what you are  
That twinkle in your eye came from the sky  
You must have strayed from the Milky Way  
A fallen star, that's what you are

A star fell from heaven right into my arms  
A brighter star I know I've never seen  
Then I found out that it was only you with all your charms  
Who came into my life to fill a dream

A fallen star is what you are  
That twinkle in your eye came from the sky  
You must have strayed from the Milky Way  
A fallen star, that's what you are  
A fallen star, that's what you are
