

## A Little Bit Later On Down the Line

**Bobby Bare**

On the day I was born, Mary Jones was 10  
But just a little bit later on down the line,  
I looked in her eyes, and I realized I'd see her,  
Just a little bit later on down the line.

So when I was a man, Mary Jones was my plan,  
And on the day I was to make her mine.  
She left me a note, and what she wrote was see you,  
Just a little bit later on down the line.

She said: Baby, it ain't that I don't love you,  
It's just that the road is long,  
And there's a lot you've got to see.

Today I heard it said, Mary Jones was wed,  
They say he looked her age, and she looked fine.  
My one love is gone, why wasn't she born,  
Just a little bit later on down the line,  
Just a little bit later on down the line.
