Crazy Again

Bobby Bare

I don't wonna rock'n roll but I can't help it
Gonna be the death of me if I let it
I think I'm wearin' down I think I'm cravin' in
But you see me on the street tonight crazy again.

Yeah, I'm feelin' kinda weak mhm my head's achin'
Lord I can't stand on my feet my knees're shakin'
Lord I'm gettin' kinda pale and a lookin' kinda thin
But you see me on the street tonight crazy again.

You know I try to believe in good time
But I can't seem to settle down
I wanna get my life together
But I think I'm losin' think I'm losin' ground.

Lord, I try to stay at home but I can't do it
I'd leave the girls alone but I can't stand it
If I get on my feet I make it if I can
But you see me on the street tonight crazy again...
