

## Even the Bad Times Are Good

**Bobby Bare**

If there's a chance that your heart misses  
The words I tried to say with kisses  
If I don't seem to look as happy as I should  
I wouldn't want to live without you  
I love everything about you  
Yes even the bad times are good

Your middle name should be perfection  
For that's what you are to me  
Even in my darkest moment you made it easier to see  
I wouldn't change one thing about you

If I knew that I could  
Cause even the bad times are good

You never let me feel mistreated  
Your love is all I've ever needed  
When I was weak somehow you always understood  
You're not afraid of stormy weather  
That's what keeps our love together  
Yes even the bad times are good

Your middle name should be perfection...
