Even the Bad Times Are Good

Bobby Bare

```
If there's a chance that your heart misses
The words I tried to say with kisses
If I don't seem to look as happy as I should
I would't want to live without you
I love everything about you
Yes even the bad times are good

Your middle name should be perfection
For that's what you are to me
Even in my darkest moment you made it easier to see
I wouldn't change one thing about you

If I knew that I could
Cause even the bad times are good

You never let me feel mistreated
Your love is all I've ever needed
When I was weak somehow you always understood
You're not afraid of stormy weather
That's what keeps our love together
Yes even the bad times are good

Your middle name should be perfection...
