

# Greasy Grit Gravy

Bobby Bare

Mama, mama, me oh my  
I don't want no catfish eyes  
I don't want no lizard spleens  
Gimme greasy grit gravy and gizzard greens.

Greasy grit gravy and gizzard greens  
Big fat pie and mobo beans  
Make you wanna split your jeans  
Eatin' greasy grit gravy and gizzard greens.

Hey Marie will you be mine  
I'm gonna take you out to dine  
We're gonna live beyond our means  
Eatin' greasy grit gravy and gizzard greens.

I kissed my wife and sold the baby  
A goin' off to join the navy  
All they eat on submarines  
Is greasy grit gravy and gizzard greens.

Greasy grit gravy and gizzard greens  
Big fat pie and mobo beans  
Make you wanna split your jeans  
Eatin' greasy grit gravy and gizzard greens.

Me and little English Alice  
We went down to Buckingham Palace  
Walked in on the King and Queen  
Eatin' greasy grit gravy and gizzard greens.

Greasy grit gravy and gizzard greens  
Big fat pie and mobo beans  
Make you wanna split your jeans  
Eatin' greasy grit gravy and gizzard greens.

Doctor, doctor, help me please  
I'm neurotic as I can be  
I keep doin' it in my dreams  
Oh, greasy grit gravy and gizzard greens.

Dixie Bell she's southern fried  
She don't want no champagne wine  
You wanna get into her jeans  
Give her greasy grit gravy and gizzard greens.

Greasy grit gravy and gizzard greens  
Big fat pie and mobo beans  
Make you wanna split your jeans  
Eatin' greasy grit gravy and gizzard greens...
