

I Wonder Where You Are Tonight

Bobby Bare

Tonight I'm sad my heart is weary I'm wondering if I'm wrong or
right

To dream about you though you left me I wonder where you are to
night

That old rain is cold and slowly falling upon my window pane to
night

And though your heart was even colder I wonder where you are to
night

Then came the dawn the day you left me I tried to smile with al
l my might

But you could see the pain within me that lingers in my heart t
onight

That old rain is cold and slowly falling
