

Learning to Live Again

Bobby Bare

Well I've been a long time tryin' to heal this broken heart
And all I've done is ease the pain before I end up apart
But it's hard to get back on your feet when you take one on the
chin
And Lord it ain't no easy thing learning to live again

Oh headaches heartaches hiccoughs heartbreaks healin' and holdi
n' on
Long days long nights dim lights hold tight ever since you've b
een gone
Oh I'll shake it or take it and somehow I'll make it till the h
urtin' ends
But Lord I think I'm dyin' learning to live again

Well I try to keep my pride up and raise this achin' head
But it's hard to start life over when you've been left for dead
It seems I just get on my feet and my knees begin to bend
I'm gonna be awhile I know learning to live again

Oh headaches heartaches hiccoughs heartbreaks...
Lord I think I'm dyin' learning to live again
