

Put a Little Lovin' On Me

Bobby Bare

You got a Paul Newman T shirt Willie Nelson hat
A poster of Charlie Daniel's Band
And just the other night honey we were makin' love
You slipped up and called me Elvis again.

Ringo Starr didn't pay for your car
Jim Croce don't buy the groceries
Johnny Cash never took out the trash
So you better put a little lovin' on me.

You got a Burt Reynold's picture taped over the bed
He ain't hardly got nothing on
And when I want to love you and I turn out the lights
You want to turn the lights right back on.

Ringo Starr didn't pay for your car
Jim Croce don't buy the groceries
Johnny Cash never took out the trash
So you better put a little lovin' on me.

Put a little lovin' on me, put a little lovin' on me.
Put a little lovin' on me, put a little lovin' on me...
