

## Rodeo Queen

**Bobby Bare**

She wakes while you sleep and tiptoes out softly  
And brings you your coffee in bed  
And she crawls in beside you with biscuits  
And kisses until all your hungers're fed.

Then she opens the paper and reads  
How them rodeo rowdies have rolled into town  
Then she's gone with the wind and you shook off again  
And here's how it looks from the ground.

With a rodeo queen, belle of the ball  
She's out of the shoe and she's tossin' 'em all  
And if you think about it you will take the fall  
Lovin' a rodeo queen.

She's home in the morning looks a bit weary  
And smilin' a little bit strange  
But she fixes your coffee and lays down beside you  
Just as if nothin' had changed.

And while she holds you you're holdin' back words  
You know that you'd better not say  
But she makes no excuses shows no regrets  
And you just better love her that way.

She's a rodeo queen, belle of the ball  
She's out of the shoe and she's tossin' 'em all  
And if you think about it you will take the fall  
Lovin' a rodeo queen.

She's a rodeo queen, belle of the ball  
She's out of the shoe and she's tossin' 'em all  
And if you think about it you will take the fall  
Lovin' a rodeo queen...
