

## Snake Farm

Bobby Bare

Well the woman I love is named Ramona  
She kinda looks like Tempest Storm  
She can dance like little Egypt  
She works down at the snake farm

Snake Farm - It just sounds nasty  
Snake Farm - It pretty much is  
Snake Farm - It's a reptile house  
Snake Farm ... Uuuggghhhh

Now Ramona's got a keen sense of humor  
She's got a tattoo down her arm  
All of a python eatin' a little mouse  
Wearin' a sailor hat that says "Snake Farm"

Snake Farm - It just sounds nasty  
Snake Farm - Pretty much is  
Snake Farm - It's a reptile house  
Snake Farm ... Uuuggghhhh

Well I asked Ramona how come she works there  
She says, "Well, it's got it's charms  
"Nothing to do here in the winter  
"Now and then some kid gets bit at the snake farm"

Snake Farm - It just sounds nasty  
Snake Farm - It pretty much is  
Snake Farm - It's a reptile house  
Snake Farm ... Oooooohh

Well Ramona likes her malt liquor  
And a band from Wales called The Alarm  
She said she cried when they broke up  
She still plays their records at the snake farm

Snake Farm - Sure sounds nasty  
Snake Farm - Pretty much is  
Snake Farm - It's a reptile house  
Snake Farm ... Oooooohh

Sometimes Ramona calls up  
And says, "Come on down here, it's getting warm"  
She runs everyone off  
And we... you know... we... uh... it's a snake farm

Snake Farm - It just sounds nasty  
Snake Farm - Pretty much is  
Snake Farm - It's a reptile house  
Snake Farm ... Oooooohh
