Strange Bird

Bobby Bare

She's a wild girl but that's alright
Because she's living in a wild world
And she's kinda like the queen bee
Swimming in cola like a strange bird
You don't want to get close to

Yea, she's a strange bird and I should know
Because I thought I'd heard an angel
From down the road but it was you, girl
Climbing up a tree and you were howling
I thought I heard you singing

I'm a princess and I'm a thief
I'll make you laugh and leave you grief
Pay your ticket and get your keys
'Cause I'm bored and I, I wanna go home
I'm bored and I, I wanna go home

She is a wild one but that's okay
Because she's living in a wild world
Where I'm the fly and she's the spider
Fighting in and out beneath your collar
I thought I heard her singing

I'm a princess and I'm a thief
I'll make you laugh and leave you grief
Pay your ticket and get your keys
'Cause I'm bored and I, I wanna go home
I'm bored and I, I wanna go home
