

# Take Me Home To Mama

**Bobby Bare**

Won't you take me home to mama  
She loves me and she'll keep me safe and warm  
All I ask is take me home to mama  
Please take me home to mama's arms.

Oh, greyhound bus I bet she could never guess  
Where I got the money to buy this ticket home  
Well, I tell you after years of tears and hard work today I made it  
I reached bottom, I've begged on the street, that's all I got.

Won't you take me home to mama  
She loves me and she'll keep me safe and warm  
All I ask is take me home to mama  
Please take me home to mama's arms.

I've lost many things in my life but today I lost my pride  
So ol' greyhound take me home to mama I need some love inside  
All I ask is take me home to mama  
Please take me home to mama's arms...
