

# The Livin' End

Bobby Bare

Mmm, I got a date (got a date)  
To end all dates (end all dates)  
I got a crush (got a crush)  
To end all crushes (end all crushes)  
I got a dream to end all dreams  
I got a baby who's livin' and it's true  
I got a thrill (got a thrill)  
To end all thrills (end all thrills)  
I got a kiss (got a kiss)  
To end all kisses (end all kisses)  
I want a heart  
To end all hearts  
Ooh, I got a baby who's livin' and it's you

Oh, what you do (what you do)  
Do to me (do to me)  
Take a look (take a look)  
Can't you see (ahh)  
I got a love (got a love)  
To end all loves (end all loves)  
I gotta tell (gotta tell)  
The world about it (world about it)  
I got it made (ahh, ahh, ahh)  
She loves me too  
But I got a baby who's livin' and it's you  
Oh, what you do (what you do)  
Do to me (do to me)  
Oh, Take a look (take a look)  
Can't you see (ahh)  
I got a love (got a love)  
To end all loves (end all loves)  
I gotta tell (gotta tell)  
The world about it (world about it)  
I got it made (ahh, ahh, ahh)  
She loves me too  
But I got a baby who's livin' and it's you  
I got a baby who's livin' and it's you
