

# Together Again

**Bobby Bare**

Together again our tears have stopped falling  
The long lonely nights are now at an end  
The key to my heart you hold in your hand  
And nothing else matters now we're together again.

Together again the grey skies are gone  
You're back in my arms now that's where I belong  
The love that we knew is living again  
And nothing else matters now we're together again.

We're together again...
